

Sr. No	Name of Publication(s)	Authors	Published in Journal	Published Date/Year
1	Identification of chronic obstructive pulmonary disease subgroups in 13 Asian cities	Dr. Arvind Bhome	The International Journal of Tuberculosis and Lung Disease	2018
2	Aetiopathogenesis and Management of Chronic Cough which is non tubercular non COPD	Dr. Pradip B. Shingore	Journal of Medical Science and Clinical Research	2018
3	Chronic Cough: Etiology, Management and Challenges	Dr. Pradip B. Shingore	International Journal of Innovative Research in Medical Sciences (IJIRMS)	Mar-18
4	Deteriorating Lung Functions in Traffic Police Working in Amravati Science last three years	Dr. Pradip B. Shingore	Journal of Medical Science and Clinical Research	Mar-18
5	Study of concurrent tuberculosis and leprosy and evaluation antikocho's drugs in them	Dr. Pradip B. Shingore	International Journal of Medical Research Professionals	2018
6	Comparative Study of Clinico – Radiological profile of Pulmonary Tuberculosis in new and previously treated patients of geriatric age	Dr. Neha Damor	International Journal of Scientific Research	Jun-18
7	A Comparative Study of Clinico-Radiological finding of Pulmonary Tuberculosis among HIV Sero-Positive with HIV Sero-Negative Patients	Dr. Neha Damor	International Journal of Scientific Research	Jul-18
8	Study of Preoperative Anemia in Rajasthan population of both Sexes	Dr. R.K Singh	International Journal of Contemporary Surgery	Jan-June 2018
9	Comparative Study of Efficacy of Analgesic Drug Nalbuphine with Hyperbaric Bupivacaine and Pentazocine with Hyperbaric Bupivacaine in Rajasthan Population of Both Sexes	Dr. R.K Singh	International Journal of Contemporary Surgery	Jan-June 2019
10	Use of Intrathecal midazolam or Fentanyl as an adjunct to spinal anaesthesia with bupivacaine for lower limb surgery : A randomised controlled study.	Dr. R.K Singh	Medical Journal Armed Forces India	2019-April

11	A comparison of Epidural and General Anaesthesia Technique for Renal Surgeries	Dr. Jalad Kapoor	International Journal of Medical Science and Education	2018
12	Effect of Midazolam As Oral Premedication in Children	Dr. Jalad Kapoor	International Journal of Medical Science and Education	2018
13	A comparison of Epidural and General Anaesthesia Technique for Renal Surgeries	Dr. Abeeza Hussain	International Journal of Medical Science and Education	2018
14	Effect of Midazolam As Oral Premedication in Children	Dr. Abeeza Hussain	International Journal of Medical Science and Education	2018
15	Small Dose-Clonidine prolongs postoperative analgesia after Sciatic-Femoral Nerve Block with 0.75% Rovivacaine for Foot Surgery	Dr. Vijay Kumar	Academia Anesthesiologica International	July-Dec2019
16	Comparison of Levobupivacain with or without epinephrine for lumbar spine surgery		Indian Journal of Anaesthesia and Analgesia	2019
17	Small Dose-Clonidine prolongs postoperative analgesia after Sciatic-Femoral Nerve Block with 0.75% Rovivacaine for Foot Surgery	Dr. Anil Ratnawat	Academia Anesthesiological International	July-Dec2019
18	Comparison of Levobupivacain with or without epinephrine for lumbar spine surgery	Dr. Anil Ratnawat	Indian Journal of Anaesthesia and Analgesia	2019
19	Incidence of Acute kidney Injury in patients with Tropical fever	Dr. Maninder Patni	Paripex Indian Journal of Research	2019
20	Association of Platelet Counts with Outcome of ICU stay	Dr. Maninder Patni	Academia Anesthesiologica International	July-Dec2019
21	Incidence of Acute kidney Injury in patients with Tropical fever	Dr. Tasha Purohit	Paripex Indian Journal of Research	2019
22	Comparison of Clonidine and Fentanyl when used with Bupivacaine in Caudal Anesthesia for Prolongation if Postoperative Analgesia in Pediatric Patients	Dr. Akhil Hussain	International Journal of Scientific Research	Jul-18

23	Study of Infectious Dermatoses pattern in paediatric patients in southeast Rajasthan	Dr. Sanjay Purohit	International Journal of Medical Science and Education	Jan-March 2019
24	Clinical-Mycolological Study of Dermatophytic infections in South Rajasthan	Dr. Sanjay Purohit	International Journal of Medical Science and Education	Apr-June 2019
25	Epidemiological study of Dermatological disorders at Tertiary Care Center	Dr. Sanjay Purohit	International Journal of Medical Science and Education	Apr-June 2019
26	Assessment of Palmo-Plantar Psoriasis and Associated Factors	Dr. Sanjay Purohit	International Journal of Medical Science and Education	Apr-June 2019
27	CMV Infection in Patients with Profound Hearing Loss	Dr. P. C. Jain	Journal of Medical Science and Clinical Research	2018-Oct
28	Study of Surgical Outcome after Modified Radical Mastoidectomy	Dr. P. C. Jain	Journal of Medical Science and Clinical Research	2019-July
29	Audiological Evaluation in Patients of Diabetes Mellitus	Dr. P. C. Jain	International Journal of Research and Review	
30	Hearing Screening using OAE and ABR	Dr. P. C. Jain	IOSr Journal of Dental and Medical Science	2019-Jan
31	CMV Infection in Patients with Profound Hearing Loss	Dr. Rajendra Gorwara	Journal of Medical Science and Clinical Research	2018-Oct
32	Study of Surgical Outcome after Modified Radical Mastoidectomy	Dr. Rajendra Gorwara	Journal of Medical Science and Clinical Research	2019-July
33	Audiological Evaluation in Patients of Diabetes Mellitus	Dr. Rajendra Gorwara	International Journal of Research and Review	2018-Dec
34	Hearing Screening using OAE and ABR	Dr. Rajendra Gorwara	IOSr Journal of Dental and Medical Science	2019-Jan
35	Study of Surgical Outcome after Modified Radical Mastoidectomy	Dr. Richa Gupta	Journal of Medical Science and Clinical Research	2019-July
36	CMV Infection in Patients with Profound Hearing Loss	Dr. Perna Mandowara	Journal of Medical Science and Clinical Research	Oct.2018
37	Oral Lesion in Kawasaki Disease	Dr. Perna Mandowara	IOSr Journal of Dental and Medical Science	2019-March
38	Study of Surgical Outcome after Modified Radical Mastoidectomy	Dr. Perna Mandowara	Journal of Medical Science and Clinical Research	2019-July
39	Hearing Screening using OAE and ABR	Dr. Perna Mandowara	IOSr Journal of Dental and Medical Science	2019-Jan

40	Elettaria Cardmomum (L) Maton (Small Cardmomom)-A dietary spice with Antihypertensive Potential and Added cardiovascular Benefits	Dr. S. K. Verma	Recent Progress in Medicinal Plants- Metabolic Disorders Hypertension	2018
41	A Prospective Study on Klinefelter Syndrome: A Basket of Multiple Systemic Disorder in a Tertiary Care Hospital	Dr.K.R.Sharma	International Archives of Biomedical and Clinical Research	Jan-Mar 2018
42	Assessment of Clinical Profile of Malaria at Southern Rajasthan	Dr. Radhe Shyam Gupta	International Journal of Medical Science and Education	Apr-June 2019
43	Endoscopic Evaluation of Manometric Profile of Gastro Esophageal Reflux Disease	Dr. Radhe Shyam Gupta	International Journal of Medical and Biomedical Studies	2019-July
44	Assessment of Febrile Thrombocytopenia at a tertiary care centre	Dr. Radhe Shyam Gupta	International Journal of Medical Science and Education	July-Sep. 2019
45	Assessment of Liver function tests in Dengue Fever	Dr. Radhe Shyam Gupta	International Journal of Medical and Biomedical Studies	Aug-19
46	Assessment of Lipid profile in stroke patients at Tertiary Care Center of Southern Rajasthan	Dr. Rajesh Khoiwal	International Journal of Medical Science and Education	Apr-Jun 2018
47	Evaluation of Clinical Profile and Assessment of Risk Factors and Outcome among Patients of ischemic Heart Disease	Dr. Rajesh Khoiwal	International Journal of Medical Science and Education	Oct-Dec. 2018
48	Assessment of Lipid profile in stroke patients at Tertiary Care Center of Southern Rajasthan	Dr. J. C. Sharma	International Journal of Medical Science and Education	Apr-Jun 2018
49	Evaluation of Clinical Profile and Assessment of Risk Factors and Outcome among Patients of ischemic Heart Disease	Dr. J. C. Sharma	International Journal of Medical Science and Education	Oct-Dec. 2018
50	Early Detection of Right Ventricular Dysfunction in Chronic Obstructive Pulmonary Disease by EchoCardiography	Dr. Ravi K. Meena	Journal of The Association of Physicians of India	2019
51	Comparative Study of Triglyceride Level in Ischemic Heart Heart Disease Patients in Different Age Groups of Patients in South East Rajasthan	Dr. Darab Singh Underwal	International Journal of Drug Regulatory Affairs	2018-June

52	A study of Clinical and Surgical management of Diabetic Foot	Dr. Gurudatt Bhaskar Basrur	Scholars Journal of Applied Medical Sciences	30/03/2018
53	A study of Role of wound Drain in the open Mesh repair of Incisional Hernia	Dr. Gurudatt Bhaskar Basrur	Scholars Journal of Applied Medical Sciences	28/02/2018
54	A prospective study of morbidity during adhesiolysis	Dr. Hanuman Prasad Gupta	Archieves of International Surgery	Jan-March 2018
55	The duration of Intra-Abdominal Hypertension and Increased Serum lactate level are important prognostic markers in critically ill surgical patients outcome: A prospctive observational study	Dr. Hanuman Prasad Gupta	Nigerian Journal of surgery	Jan-June 2019
56	Assessment of the Surgical Profile among patients of Ileal Perforation	Dr. B. M. Soni	International Journal of Medical and Biomedical Studies	Jul-19
57	Appendectomy: Open versus Laparoscopic Approach	Dr. Ashok Meghwal	International Journal of Advanced Multidisciplinary Research	2019
58	Pilonidal Sinus: Whether open approach or primary closure is better?	Dr. Ashok Meghwal	International Journal of Advanced Multidisciplinary Research	2019
59	Role of Tropical Approach of Nano Silver on Ulcer Healing: A Comparative Study	Dr. Ashok Meghwal	International Journal of Medical and Biomedical Studies	Jul-19
60	Bacteriological Profile and Composition of Gall Stone	Dr. Ashok Meghwal	International Journal of Medical Science and Education	April-June 2019
61	Surgical site infections and Bacteriological Isolation: A prospective Hospital Based Study	Dr. Gaurav Wadhawan	International Journal of Medical Research Professional	18-Jan
62	A prospective Study on Advantages of Laproscopic over Open Appendectomy in Tertiary Care Teaching Hospital	Dr. Gaurav Wadhawan	International Archives of BioMedical and Clinical Research	Apr-June 2018

63	A PROSPECTIVE STUDY OF POST BURN CONTRACTURE: INCIDENCE, PREDISPOSING FACTORS, MANAGEMENT, AND OUTCOME?	Dr. Ramraj Goyal	International Journal of Medical Science and Education	2019-Jan
64	Assessment of Surgical Profile of Patients undergoing For Appendectomy	Dr. Ramraj Goyal	International Journal of Medical Science and Education	July-Sept 2018
65	Laposcopic resection of duodenal carcinoid: A feasible method: Single Institute Case Series	Dr. Vishwas Johri	Journal of Minimal Access Surgery	2018
66	Prevalence of Hypothyroidism in Pregnancy with TSH Estimation	Dr. Rajrani Sharma	Indian Journal of Obstetrics & Gynecology	Jan-Mar 2019
67	Relationship Between Education levels and Hemoglobin status of Pregnant women	Dr. Kiran Manohar Dabholkar	International Journal of Medical Science and Education	Jan-Mar.2019
68	Analysis of Hysterectomies and Clinicopathological Correlation – A Prospective Study	Dr. Sanchita Dashora	Indian Journal of Obstetrics and Gynecology	Jan.-Feb.2018
69	Prevalence of Hypothyroidism in Pregnancy with TSH Estimation	Dr. Kamlesh Dhanjani	Indian Journal of Obstetrics & Gynecology	Jan-Mar 2019
70	Assessment of Placental Function by using Serum Copper Levels	Dr. Kuldeep Wagh	International Journal of Medical Science and Education	April-June 2019
71	A Study of prevalence of Meibomian Gland Dysfunction in North Indian Adults in Hospital based population	Dr. V.S. Lodha	International Journal of Medical Science and Education	Apr-June 2018
72	Comparative Study of Biochemical Parameters among elderly patients with cataract	Dr. Navin D. Patel	International Journal of Medical and Biomedical Studies	2019-July
73	An Epidemiological study of estimation of burden of cataract among geriatric age group	Dr. Navin D. Patel	International Journal of Medical Science and Education	April – June 2019
74	Estimation of Serum Electrolytes (NA ⁺ and K ⁺) and Serum Calcium levels in Senile Cataract patients and its Comparison with Non Cataract Patients	Dr. Alok Vyas	World Journal of Pharmaceutical and Medical Research	2018

75	Success of Pterygium Surgery without Conjunctival Autograft and Non Use of MMC on Patients (Rural and Urban)	Dr. Alok Vyas	World Journal of Pharmaceutical and Medical Research	2019
76	Use of Tranexamic Acid to Reduce Post- Operative Blood Transfusion in Total Hip Replacement Surgery	Dr.R.N.Ladhdha	International Archives of Biomedical and Clinical Research	2018
77	Assessment of Intertrochanteric Fractures: A Cross-Sectional Prospective Study	Dr. Sohan Gupta	International Journal of Medical Science and Education	April-June 2019
78	Evaluation of Management and Outcome of Pediatric forearm re-fractures	Dr. Sohan Gupta	International Journal of Medical Science and Education	July-Sept. 2019
79	Post -Operative outcome of Operated Tibial Fracture	Dr. Sohan Gupta	International Journal of Medical Science and Education	July-Sept 2019
80	Effects of Serum Uric Acid on Tophus Involvement of Tendon	Dr. Sohan Gupta	International Journal of Medical Science and Education	Apr-June 2019
81	Use of Tranexamic Acid to Reduce Post- Operative Blood Transfusion in Total Hip Replacement Surgery	Dr. Saleh Mohammed Kagzi	International Archives of Biomedical and Clinical Research	Jan-Mar2018/
82	Association Between Tophus involvement of Tendon and Serum Uric Acid levels	Dr. Saleh Mohammed Kagzi	International Journal of Medical Science and Education	2019-Jan
83	Association Between Tophus involvement of Tendon and Serum Uric Acid levels	Dr Yogesh Kumar Gautam	International Journal of Medical Science and Education	2019-Jan
84	Post operative outcome evaluation of mobilization among operated cases of Tibial Fracture at Tertiary Care Centre	Dr Yogesh Kumar Gautam	International Journal of Medical Science and Education	July-Sep 2018
85	Cord blood thyroid-stimulating hormone as a screening tool for congenital hypothyroidism : A single-center 5 year experience	Dr. Ravi Bhatia	Journal of Thyroid Research and Practice	May-Aug 2019
86	Congenital Hypothyroid Screening in Term Neonates Using Cord Blood TSH	Dr. Ravi Bhatia	Journal of Neonatology	2019-Sept
87	Spectrum of Congenital malformations at birth among neonates in a private medical college	Dr. Ravi Bhatia	International Journal of Contemporary Pediatrics	2019

88	Neonatal Hearing Screening Time to make Noise-Experience from a private medical college in South Rajasthan	Dr. Ravi Bhatia		2019
89	Prevalence of Parasitic Infection among Children: A Hospital Based prospective study in Udaipur	Dr. Dinesh Rajwaniya	International Archives of Biomedical and Clinical Research	July-September 2018
90	Cord blood thyroid-stimulating hormone as a screening tool for congenital hypothyroidism : A single-center 5 year experience	Dr. Dinesh Rajwaniya	Journal of Thyroid Research and Practice	May-Aug 2019
91	Incidence of Antibiotics Susceptibility Pattern in Neonates Suffering from Septicemia in a Tertiary Care Teaching Hospital	Dr. Dinesh Rajwaniya	International Journal of Medical Research Professionals	Nov.2018
92	Congenital Hypothyroid Screening in Term Neonates Using Cord Blood TSH	Dr. Dinesh Rajwaniya	Journal of Neonatology	2019-Sept
93	Etiology and risk factors determining poor outcome of severe Pneumonia in under 5 children	Dr. Suresh Jakhar	Indian Journal of Paediatrician	Jan-18
94	A prospective, cross sectional open label clinicoepidemiological study of vitamin B-12 deficiency in adolescent children	Dr. Chaturbhuj Singh	Indian Journal of Contemporary Pediatrics	July – Aug. 2018
95	A study of relationship between perceived stress, coping pattern, burnout and general psychopathology among the Post Graduate Medical Students	Dr. S. K. Mehta	Industrial Psychiatry Journal	2018
96	Clinical Profile of Psychiatric Disease burden at Tertiary care hospital	Dr. Bharati D Patil	International Journal of Medical Science and Education	Apr-June 2019
97	Assessment of depression and its risk factors among geriatric age group	Dr. Bharati D Patil	International Journal of Medical Science and Education	2019
98	Prevalence of psychiatric morbidity among parents of children with intellectual disability.	Dr. Brijesh K Mahawar	Industrial Psychiatry Journal	2019

99	A Study of stress and Coping strategies among parents of children with intellectual disabilities	Dr. Brijesh K Mahawar	Delhi Psychiatry Journal	2018
100	MRA and Correlation with Color Doppler Ultrasound in Evaluation of the Carotid Bulb and Proximal Internal Carotid Artery	Dr. Kapil Vyas	International Journal of Medical Science and Education	July-Sept 2018
