About Pacific Medical University (PMU) :

Pacific Medical University is located in Udaipur - a lovely land around the azure water lakes, hemmed by the lush hills in Aravali range of mountains in western India amidst the Royal state of Rajasthan. Being blessed so much by nature Udaipur in the last decade had grown up as a big education hub in the field of medical Education. Under its flagship PMU is continuing to provide education in Medicine, Dental, Nursing, Pharmacy, Paramedical Sciences, Physiotherapy and Clinical Psychology.

PMU strives for excellence in promoting as well as empowering students with educational opportunities in Medical Professional and Health Development with all around grooming as a responsible citizen and sincere server to humanity in today's competitive and dynamic global society.

PMU came in to existence in the year 2014 under the aegis of Tirupati Balali Educational Trust and is spread over an area of 32.14 acres, beautifully landscaped and surrounded by lush green hills of Bhilo Ka Bedla, Pratappura, Udaipur (Rajasthan), a Class 'B' city on National Highway 27.

PMU intends to set a benchmark in the field of education in India. The trust is committed to achieve and maintain excellence while it aims to bring standard health care within the reach of every individual and especially to the people of Mewar region in Rajasthan and neighbouring areas of Gujarat and Madhya Pradesh. A proper curriculum has been set according to the norms that carry all the relevant subjects which need to be taught during their academic period. The curriculum not just prepares the students to excel in the field of medical science but also to stand apart in the midst of the world and make their presence felt. The overall growth of the student and personality development is given the utmost importance.

The PMU owns a constituent Medical College and Hospital which has 900 bedded, multispecialty, tertiary level health care centre with state of the art equipment, infrastructure & a team of highly experienced, qualified, skilled & motivated technical manpower. The hospital has well established departments both in diagnostic & therapeutic fields as well as in supporting logistics services.
